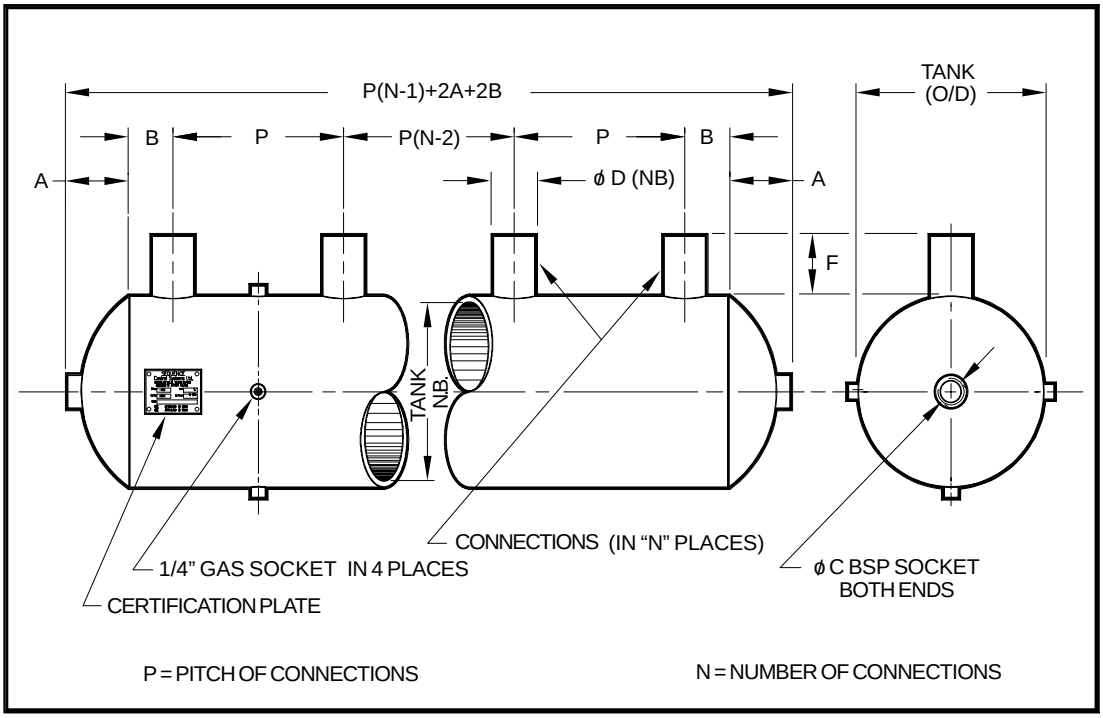
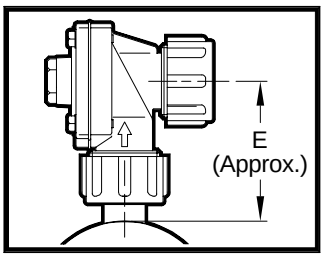
Bell Ended - Plain Connections





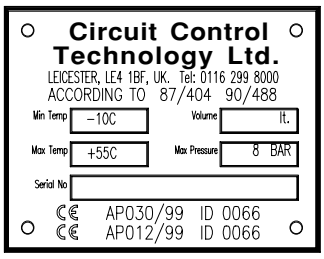
ORDER CODE :

TD*-* N ** P*B**

- NB of Tank - NB of Connections

** .....Number of Connections

*** .....Pitch of Connections



TANK N.B. (O/D)	A	B min.	C (BSP)	D (NB)	E (Approx)	F
5" (140)	50	40	1"	3/4"	125	75
				1"	133	85
6" (168.3)	50	40	1"	3/4"	125	75
				1"	133	85
				1.5"	138	85
8" (219.1)	70	40	1"	1"	133	85
				1.5"	138	85
10" (273)	90	40	1.5"	1.5"	133	85

HOW TO ORDER

Just tell us the size (NB) of the tank, how many and what size (in millimetres) connections you require and how far apart (pitch) they need to be.

NB of Tank = 5", 6", 8", 10"
Size of Connections = 20 (for 3/4")
25 (for 1")
40 (for 1.5")
50 (for 2")
Pitch of Connections is your choice.
B Dimension can also be your choice, just add "S" and your preferred dimension in millimetres (it must exceed the tabulated minimum) to the Order Code.

eg. TD6-25N7P225B is a 6" tank with 7 off 1" connections at 225mm pitch and standard "B" dimensions (40mm) as per the table.

STANDARD FINISH - PAINTED RAL 5012
